

HIV/AIDS IT ISN'T OVER.

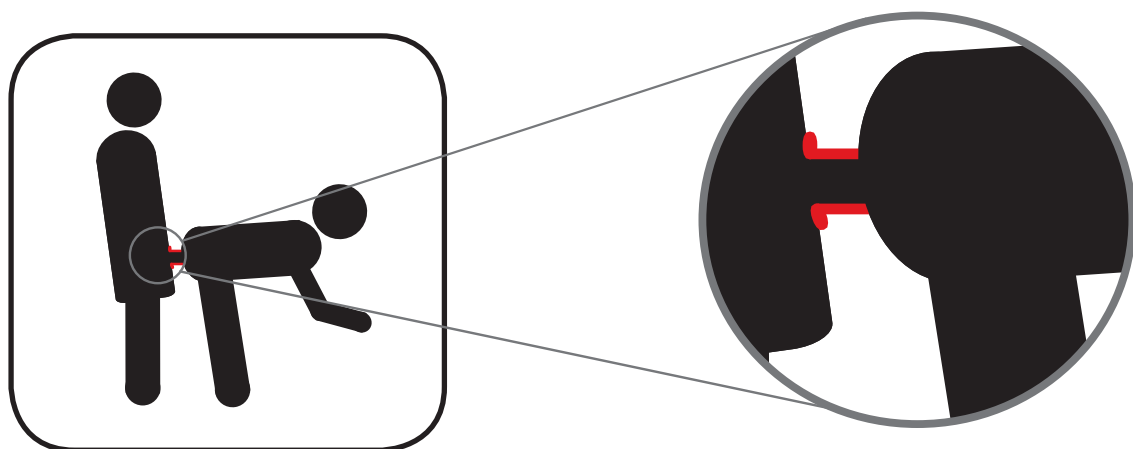

HIV/AIDS is still a major health concern for
GAY AND BI MEN.

That's why **WE CAN'T STOP**
protecting ourselves and others from HIV transmission.

Whether we're HIV-positive, HIV-negative or we haven't been tested for HIV, each one of us has a responsibility to protect ourselves and our partners from HIV transmission.

Join with other men and say **WE WON'T STOP**
fucking safely until HIV/AIDS is over.

NOW MORE THAN EVER,

it's time for us to act. Take pride in yourself. Take care of each other.
