

Seeking Board Members

ACT is seeking community members interested in serving on its volunteer Board of Directors.

ACT works to reduce new HIV infections in Toronto and promotes the independence, dignity, health and well-being of people living with HIV and AIDS and those at increased risk of HIV. Founded in 1983 – as the AIDS Committee of Toronto, today ACT had grown to be Canada's leading and largest HIV service organization.

ACT is committed to equity at all levels of the organization and has, as one of its core commitments, the greater and meaningful engagement of people living with HIV and AIDS. ACT encourages members of our priority populations – people living with HIV/AIDS, cis and trans gay/bi/queer men, cis and trans women, cis and trans young people, members of diverse ethno-racial communities and members of Indigenous communities – to apply and self-identify.

ACT Board members commit to attend eight meetings in a year and are expected to participate in at least one board committee. These committees are Finance, Leadership and Governance, Philanthropy and Stewardship, and Pension. The monthly commitment for a board member can vary, but on an average is between 4-6 hours per month.
